OFFICE NOTE.

SUBJECT. Loan to Nanjangud Municipality for water and road works.

LAST REFERENCE. Letter No. 6091 / J.A 1531 dated 29 February 1898 from The Comptroller, Mysore Govt

Ch: Engineer No. 2476 d. 30.5.95. Encl: 1 to 3

In February 1894 a project of Rs 32,604 was sanctioned in the D.P.W for the water supply as well as for roads in the Nanjangud Town. Out of the above sum Rs 4,656 was for the latter work. Half the sanctioned amount was to be treated as bonus and the remaining as a loan bearing interest at 4%. The water supply portion of the work being kept in abeyance under the orders of the Dewan, the moiety repayable as loan out of the amount apportioned

for road work was Rs 2328/-

In June 1895 Govt. approved of the proposal made by the Dy: Commr Nuyara, to pay off ~~his~~ the amount of the loan of Rs 2328 on account of the road work in a single instalment, the order making no mention whatever as regards the interest payable

G. O no 23005-7 / L.F. 176-94 d 14.6.95.

Again in July 1895 Govt. allowed ~~authorized~~ the Nawanjagud Municipality to pay off the said sum of Rs 2328 in 1895-96, and called for a supplemental Budget for that year providing on the side of Expenditure the said amount under "Repayment of loans" as funds were available. The order ~~passed~~ also accepted the proposal of the municipality to repay the balance of the whole loan of Rs 16,302 (or moiety of the full project of Rs 32,604) annual instalments of Rs 10 from 1896-97 with interest at

G. O no: 1424-6 / L.F. 176-94 d 26.7.95

In June 1896, Govt. sanctioned the supplemental Budget above referred to.

G. O. no: 14174-8 / L.F. 167-94 d 30.6.96

The Comptroller having ~~demanded~~ from the Municipality a sum of Rs 417-15-8 as a demand on account of interest for the years

Comptr's no: 6600 d 14.4.97

1893

/ No. 1846 d 10 6.97

* Note - There is nothing on this to show that interest should not be paid to Govt

The Dy Commissioner Contends on the authority of para 7 of Govt Order No 14174-8 dt 30-6-96 & 7 167-96 that the interest is payable only from 1896-97 -

As there is no provision in the agreement executed by the Municipality & specially exempt - the payment of interest for those years, ~~has~~ & has none ~~been done~~ of the Govt orders quoted above specially ~~at~~ authorize the exemption, the Comptroller seeks the Orders of Govt in the matter.

I think the Comptroller is quite right. There is nothing to show that the interest was waived as contended by the President - the loan was I believe paid from the Land Development - The decision of the Question perhaps rests with the Govt in the D.M.W. Hence these papers to the Secy D.M.W. for

The Secy. P.W.D who was consulted in the matter states that he sees no reason why the municipality should be exempted from payment of interest on the loan actually made to & and expended by them, to end of 1895-96, except on the sum of Rs 28328 for that year.

The orders are clear on the subject - Govt Prov. No: 3916-36-749-69 Dated 1st Augt 1894 require payment of interest at 4% on all loans to Municipalities for works in Parts I & III referred to therein.

May the Govt be requested to say whether arrangements for the payment of interest as stated by the Chief Engineer?

What is complained of in letters 2344 of 14th May 1897 in which the Govt consented to say that the former do adhere to their order in adjusting the amount to be paid by the municipality for the works carried out in 1895-96 in G.O. 1417 FR 167-96 of 30th June 1896 and the date of the order of Govt now that any adjustment was imposed in the year 1895-96 as the Budget was sanctioned

Sir,

With reference to your official
Memorandum No 9851-57
H 889
of the 4th May 1897
forwarding an extract from the statement
furnished by the comptroller shewing the advances
that had remained unadjusted on the 30th June
1896, I beg to state that only one item is
shewn in it viz: Rs 408-12-0 advanced for
filling up the public and private pits
in the back yards of houses in the Brahmin
and the Ganiger streets in the town of Shimoga.
It was adjusted in this office accounts as per
comptroller's audited accounts for March 1896
sent with his docket No 100 of the 10th July 1896.
It is not therefore clear why the comptroller
has included it in the list of unadjusted
advances.

Sir

With reference to official memorandum No 9851-57 dated 4th May 1897 regarding the recovery and adjustment of the over due outstanding advances referred to by the Comptroller in his letter no 6600 dated 14th April 1897, I have the honor to state that with regard to Mpome city municipality, the Vice President has been addressed to adjust the same without delay.

2 As regards nanganjo de municipality, since the Comptroller admits in his docket no 2344 dated 14th May 1897 that he omitted to adjust the sum of Rupees 2328/- towards the repayment of loan in the accounts of his office for 1895-96 though it was sanctioned in order no 14174-8 / 27 167-94 [Shows 2328 as paid]

dated 30th June 1896, the same may be ordered to be adjusted for 1896 97 from the Item of Rupees 8620 Sanctioned under VIII Public works in that municipality for the current year as nearly 3/4th of the provided Item remain unutilised for works on account of want of labour owing to the prevalence of Cholera at nanjangode for a period of more than six months. The Comptroller has included a Item of Rupees 417-15-8 as interest to be paid which is not in accordance with para 7 of Government order no 14174-8 dated 30th June 1896 and if is only from the current year that interest is Chargable for which due provision has been already made in the current years budget

3 With regard to Hunsur and Yedatore municipalities, a detailed report has been made to Government in this office letter no 1373 of 8th March 1897 in reply to Government order 9218-20 dated 13th February 1897

4 In the case of Serungapatam municipality the Comptroller says in his docket no 6542 of

can at once be made

loan granted to the Navsari Municipality for the water supply he is not in accordance with para 7 of Government Proceedings No. 14174—8 L.7.167—94 dated 30th June 96 and that interest is payable only from 1896—97.

2. The payment of the loan commenced in February 1894 and to end of 1895—96 Rs 9,842—12—7 had been paid. The interest payable on this sum was Rs 417—15—8.

In the agreement executed by the President of the Municipality, there is no provision specially exempting the payment of interest for the years 1893—94, 1894—95 and 1895—96, Now is there anything in para 7 of the proceedings quoted by the President or in Proceedings No. 23005-7 (5) L.7. 176—94 dated 14th June 95

to show that interest for that period is remitted.

3. I have therefore the honor to request that you will be so good as to, intimate whether it is the intention of Government to forego the interest on the loan granted to the said Municipality for the above mentioned three years.

CENTRAL OFFICE,

Bangalore, 23rd February 1899

From The Secretary to the Government of Mysore

To The Secretary to Government, General and Revenue Departments.

SIR,

In returning the file of papers, re with your docket No: 9269/Fl. 906 dated 28.8 1898, in which my opinion is asked as the interest payable by the Ranjangud Cipality on the loan granted to them for work &c; I have the honor to inform you that, in the circumstances represented in para 2 of the Comptroller's letter No 609/1531 dated 29/2/98, there appears to be reason why the Municipality should be Exempted from payment of interest on the loan actually made to, and Expended by them to end of 1895-96, Except perhaps on the Sum of Rs 2,328 for that year, in the of which the Comptroller should have adjusted that Sum.

2. By some mistake, your docket

under reply got mixed up in file in Superintending Engineer's Office, from which it has only just been returned. This accounts for the delay in its disposal.

With reference to para 2 of the above, has the honor to request that a copy of the Comptroller's docket no. 2344 dated 14th May 1897 in which he is stated to have omitted to credit the sum of Rs 2328 towards the repayment of the loan to the Nanjangud Municipality, in 1895-96 may be forwarded for information

It is observed that the date of Govt. Order no: 14174-8 / L.7 167-94 was 30th June 1896

would shew that any
adjustment in that year
was impossible. It is
also observed that the
Comptroller does not
appear to be wrong in
holding that the interest
on the loan advanced
up to the end of the year
1895-96 was accumulating
during that period.
Nor is there in G.O. —
No. 14174-8 / L.F. 167-94 dated
30th June 1896 on whose
authority the President
contends, anything to
shew that interest should
not be paid to Govt.
Under these circumstances
the President is requested
to explain his objection
to pay interest — more
clearly than he has done.
